COFFEE HOUR CHECKLIST

Set-up at 10 a.m.

TABLECLOTHS – Please get **(2) white rectangular** ones located in lower cupboards in servery area. Put these on the table in front of the stage and the Childrens' Table on the east wall. At the end of clean up put these **white tableclothes** and any other dirty towels in the laundry basket outside the kitchen door that goes to the basement. **DO NOT TAKE THEM HOME.**

The custodian on duty (**Kelvin**) that day will get the **round red tablecloths** when he **sets up** the round tables and **he will take care of them** when he **tears down**. **DO NOT TAKE THEM HOME OR PUT IN DIRTY CLOTHES HAMPER.**

GLASS MUGS, IRISH-STYLE – Place about 4 trays between the (2) new coffee urns in front of the stage. These mugs are found in the servery area.

CONDIMENTS – **Fill (2) sugar bowls** and place by each new coffee urn. Put **(2) empty creamers** on the table, then at the start of the last hymn for the 11 AM service fill them with Half & Half from the refrigerator (this helps to eliminate spillage on the wood floors). You may also place the packets of Sweet & Low and powdered creamer from the “**Coffee Supply Closet**” on the table with the new coffee urns.

TEA – Just brew 1 – 2 BUNN pots of water and put in the airpot marked “**For Tea**” and put out the individual **Fair Trade Earl Grey/ English Breakfast/Green Tea** teabags. You can cut up a lemon (if available) and put on a plate near the other condiments.

COFFEE – Use the **new coffee urns for coffee only**. Fill 55 cups of cold water with 3 cups of the new (**Fair Trade Fellowship Blend Percolator blend black bag**) in each urn. Make sure the springs stay in the middle bar when cleaning them or the coffee urns will not perk. Plug in each urn on the table in front of the stage on the black wooden pedestals. During the **summer** months or other “**low attendance**” Sunday's you can just make only 1 urn of regular coffee. You could also just make individual pots of regular coffee in the BUNN but use the **Fair Trade Café' Salvador drip grind**. Use 1 cup of drip grind to 1 pot of BUNN of water for coffee.

DECAF COFFEE – Use the **Fair Trade Columbian Decaf drip grind**. Fill 1 BUNN pot of cold water and 1 cup of decaf on the BUNN coffee maker and pour in the pump container marked “Decaf”. This will stay warm for hours. You can easily make another pot if needed.

LEMONADE – Fill 2 gallons (according to package instructions on container) in the plastic **lemonade** container. Put in refrigerator (top portion with the liquid only) until the start of the last hymn for the 11 AM service. You may put the rest of the container on the “Children’s Table” (near the east side of the Parish Hall main eatery). Please also put a drip rug under the lemonade urn. An **alternate** to low attendance at church is 1 **gallon** for less waste. If we have less than 100 people in our coffee hour we should use the alternate method.

COOKIES & OTHER SPECIAL TREATS – Using about 6-8 large trays, separate all the cookies (made by your team members) and any other special treats so each platter has a variety to choose from. Place these on the round tables (3) with the red tablecloths, remember to set a platter or two for the “Children’s table”.

Set-up at 11:45 a.m.

At the beginning of the last hymn, go down to the kitchen and get the Half & Half from the refrigerator and fill the creamers on the table in front of the stage with the new coffee urns. Put the lemonade on its pedestal by the “Children’s Table”. Put both air pots on table between the coffee urns in front of the stage. Have a runner that fills the creamer, sugar, and air pots of decaf coffee and hot water for the tea.

Clean up at 12:45 p.m.

Wash and put away mugs, saucers, utensils. Dishwasher instructions are on the dishwasher. Hand wash new coffee urns, lemonade container, decaf containers, air pots. Put the (2) new coffee urns and pedestals back in the white “Coffee Closet” and the old tea urn, lemonade container back by the BUNN coffee maker. Squeegee the dishwasher counter when done. Except for the red round linens that the custodian puts on and removes, the white linens go in a hamper on the landing outside the kitchen door for the custodial staff to launder. **(DO NOT TAKE THEM HOME TO WASH).**

Thank you for all your help and work. Try to have at least **(6)** of your team members to help you and assign task to each. Rotation is every 21 weeks.
